

NFWL AI Summit

July 14 – 15, 2026

The Dupont Circle Hotel - Washington, DC

TUESDAY, July 14, 2026

9:00am – 12:00pm Podcast Studio Open

12:00pm – 5:00pm Registration Open

2:00pm – 2:15pm Conference Opening

Speaker **Representative Lisa Subeck**, Wisconsin State
Legislature, NFWL Chair

2:15pm – 2:45pm State-Level AI Legislation Trends in 2026 and What to Expect in 2027
All 50 states and U.S. territories have introduced AI-related legislation this year, from content ownership to infrastructure risk management. This panel will provide a comprehensive rundown on the AI policy landscape across the states, and will feature experts from Amazon, Salesforce, and TechNet, on how AI industry is operating amidst ongoing changes.

2:45pm – 3:15pm Powering AI: The Policy Challenge of Data Centers
As artificial intelligence advances, the demand for large-scale data centers is surging—bringing with it complex policy questions around energy consumption, land use, environmental impact, cybersecurity, and community infrastructure. How are policymakers, energy experts, and industry leaders working through zoning challenges, utility pressures, to shape the future of AI infrastructure.

Speakers **Erin McKinney**, Public Policy at Amazon Web Services,
Inc.

3:15pm – 3:45pm Ensuring Youth Safety Utilizing AI
How are companies investing in safety-by-design measures, transparency, and data protections, while collaborating with experts to reduce harm, limit risky interactions, and ensure AI products used by kids follow clear, enforceable safety and privacy standards.

3:45pm– 4:15pm Policy Session TBD

4:15pm - 4:30pm Stretch Break

4:30pm – 5:30pm Rotating Roundtables
Six tables will be hosted for three fifteen-minute table rotations. In this speedy round robin, elected women will rotate and connect with table leads on key issues for quick takeaways.

5:35pm – 6:30pm Networking Break

6:30pm – 7:30pm Networking Reception

WEDNESDAY, July 15, 2026

8:00am – 5:30pm Summit Registration

8:00am – 8:30am Networking Breakfast - Legislator Panel: Building Consensus on AI

8:30am – 9:30am Rotating Roundtables

Six tables will be hosted for three fifteen-minute table rotations. In this speedy round robin, elected women will rotate and connect with table leads on key issues for quick takeaways.

9:30am – 10:00am Small Business AI Support for Your Community

10:00am – 10:45am Smart Prisons, Fair Systems: Governing Technology in Incarceration

Policymakers will gain insight into current practices, regulatory gaps, and opportunities to ensure technology in corrections is deployed ethically and effectively.

10:30 – 11:00am The Road Ahead: Autonomous Vehicles, Safety, and State Policy

How are the roads changing, who is leading the way, and what is the role of state policymakers?

11:00 – 11:30am Policy Session TBD

11:30am – 12:00pm Elected Women Panel

12:00pm – 1:00pm Leadership Academy Luncheon & How can you harness AI to be a better legislator?

Learn more about utilizing your strengths, and how to better utilize AI to improve your workflow.

NFWL programming continues with the kickoff of our Healthcare Summit for those attending at 2:00pm!
